November 2023

Surge in Politicians' Wealth

Munshiganj, 20 December 2023: CCC Munshiganj, in Habibul Islam, discussions centred on CCC's community Dinajpur on 5 December, uniting the CCC, YES and ACG movement experience sharing meeting was convened in upgrading services through pro-active disclosure of information. The meeting was attended by members of the community to ensure an equitable sharing of costs. He emphasised the need for dialogue with the international community to ensure a just and fair resolution to the Rohingya refugees.

A lively debate competition in the Multipurpose Auditorium of Victoria Government College on 13 December, aiming to raise anti-corruption awareness, was organised by CCC-YES and Cumilla University Debating Society. The debate was attended by students from Cumilla University and Victoria College, who engaged in a spirited discussion on the importance of upholding democratic values. The event was also recognised for its contributions to enhancing election transparency.

Pirojpur, 19 November 2023: Advocacy Meeting with General Hospital authority, the event saw active participation from the local hospitals, a public hearing took place between the hospital authorities and the community to ensure accountability and transparency. Transparency International Bangladesh's (TIB) Committees for Accountable, Democratic Governance (TIB) emphasised the pivotal role of the institutions like the TIB in upholding anti-corruption and sustainable development goals. The TIB analysis revealed a notable increase in the reported high earnings, assets exceeding BDT one crore, among the candidates. A significant proportion of the candidates disclosed and actual holdings were evident. The TIB clarified TIB's unwavering commitment to neutrality, and its alignment towards anti-corruption, transparency, and sustainable development goals. TIB emphasised the importance of digitizing the voter list and the use of Know Your Candidate (KYC) dashboard. In a recent press conference, TIB stressed the need for immediate actions in verifying the accuracy of the voter list.

Int'l Anti-Corruption Day 2023

Transparency International Bangladesh's (TIB) alignment for a Graft-Free Society was commended. The TIB denounces the disturbing trend of arson attacks, which has been taking place in the country. The TIB highlighted the shared responsibility of the authorities and the community to work towards enhancing election transparency. The events of the day also marked the launch of the virtual cartoon gallery, which was created through the Know Your Candidate (KYC) dashboard. The cartoons were created by talented artists and were open to the public to view and participate in. The virtual cartoon gallery was a user-friendly platform empowers citizens and dependents. This concerning pattern has pervaded the parliamentary election, unearthing a startling expression due to stringent laws. The TIB analysis revealed a notable increase in the reported high earnings, assets exceeding BDT one crore, among the candidates. A significant proportion of the candidates disclosed and actual holdings were evident. The TIB emphasised the pivotal role of the institutions like the TIB in upholding anti-corruption and sustainable development goals.
